

ABOUT YOUR BILL

McKeesport Wastewater Only Customers

1 CUSTOMER ACCOUNT INFORMATION

Account Number: When calling our call center, it's helpful to have this handy.

Due Date and Total Due: Includes current and any past due amounts, and when it is due.

If Paid After Due Date: Be sure to pay by the due date to avoid late payment charges. Any portion of the water and wastewater charges not paid by the due date is subject to a 1.50% penalty.

2 BILLING PERIOD AND METER READINGS

Billing Date: Date the bill was mailed.

Billing Period: Period in which the water was used and is being billed for.

Next reading on/about: Estimate of when the next meter reading will take place.

Customer Type: How the property being served is classified (i.e., residential, commercial, industrial).

Meter Reading /Billing Measurement: The meter readings on your wastewater bill are provided to Pennsylvania American Water by your water provider. The amount of water usage is converted to 100 gallon increments for wastewater billing purposes. We also specify if the reading was an actual read or if it was estimated.

3 PRIOR BALANCE (if applicable)

This should be paid immediately.

4 CURRENT CHARGES

CURRENT WASTEWATER SERVICE

The fixed **Wastewater Service Charge** represents costs related to providing and maintaining the sewer service to the property.

***NOTE: the wastewater service charge of \$30.70 includes a minimum of 2,000 gallons for the typical residential customer with a 5/8 meter. The Wastewater Use Charge is based on your water consumption as indicated by your water meter reading. These charges may vary based on the district.**

OTHER CHARGES

State Tax Adjustment Surcharge: This PUC-approved surcharge is a pass-through fee that allows the company to recover costs associated with state tax assessments.

This section also includes charges for **optional services**, including H2O Help to Others program contributions and service line and in-home plumbing protection programs.
