DECISION NO. _____

MGR - RATES & REGULATION

TITLE

RESOLUTION NO. _____

Form 73 A
Application for Special Connection
Addendum

This Addendum to the Application made in triplicate this _____ day of _____, _____, by _____, (A corporation of the State of California), hereinafter called the Applicant, to California American Water Company, a California Corporation, hereinafter called the Water Company.

Hereafter Agrees to the further terms and conditions.

There not being a main of adequate size to serve private fire protection service in addition to all other normal services, (I)/(We) herewith deposit with California American Water the sum of _____ Dollars (\$ _____), being the estimated reasonable cost of making the extension of main, all in accordance with Schedule No. _____, Private Fire Protection Service. Said sum shall be subject to adjustment of any difference between the estimated cost and the actual cost within a period of 60 days after the actual cost of installation has been ascertained by the Water Company, and such actual cost shall not be subject to refund.

This agreement shall be at all times subject to such changes or modifications by the Public Utility Commission of the State of California as said Commission may, from time to time, direct in the exercise of its jurisdiction.

IN WITNESS WHEREOF the Applicant, hereunto signed _____, [NAME]

has executed this Adendum, on the day and year first above written.

WITNESS:

Applicant
