The purpose of this supplemental advice letter filing is to modify the tariff sheet numbers for consistency with current Monterey Service Area tariffs.

This advice letter filing requests recovery of intervenor compensation awarded to:

Background:

In D.17-12-020, the Commission ordered the following:

1. *Water Plus shall be awarded \$25,460.00.*
2. *Within 30 days of the effective date of this decision, California-American Water Company shall pay Water Plus the total award. Payment of the award shall include compound interest at the rate earned on prime, three-month non-financial commercial paper as reported in Federal Reserve Statistical Release H. 15, beginning, March 07, 2016 the 75th day after the filing of Water Plus' request, and continuing until full payment is made.¹*

On February 19, 2020, California American Water completed issuance of payment of \$27,013.03, which includes interest to Water Plus in accordance with the decision. This compensation is related to the Regional Desalination Project settlement between California American Water, the County of Monterey, and the Monterey County Water Resources Agency.

Request:

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds² are:

2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding;
or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.
7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**
