## Monterey District: Non-Residential

**The California Public Utilities Commission (CPUC)** recently ordered changes to how California American Water bills for water service on the Monterey Peninsula. While most of the changes apply to residential customers, there will also be rate differences for commercial, public authority and industrial – or non-residential – customers.

There will be no change to the current division system. However, the CPUC has re-allocated the recovery of approximately \$3 million in annual water system costs from residential customers to non-residential customers and approved a five-year WRAM surcharge to recover revenue that was previously approved but uncollected due to increased conservation.

New Monthly Service Charge	Meter Size	Cost per month <sup>2</sup>
	5/8"	\$19.78
	3/4"	\$29.67
	1"	\$49.45
	1 1/2"	\$98.91
	2"	\$158.25
	3"	\$296.73
	4"	\$494.54
	6"	\$989.09
	8"	\$1,582.54

New WRAM Surcharge	Meter Size	Cost per month
	5/8"	\$4.21
	3/4"	\$8.42
	1"	\$12.63
	1 1/2"	\$21.05
	2"	\$33.68
	3"	\$63.15
	4"	\$105.25
	6"	\$210.50
	8"	\$336.80

**The average monthly increase for non-residential customers is \$13.62<sup>1</sup>.**

New rates will be reflected in customers' March 2017 bills.

### Non-Residential Rates (per CGL)<sup>2</sup>

Division ①	Rate for all units
Division ②	Rate for all units
Division ③	Rate for all units
Division ④	Rate for all units

### We're Here to Help

Resources are available to help customers save water and money on their bills. California American Water offers robust conservation incentives including:

- \$ Generous rebates** for upgrading appliances and irrigation methods to more water-efficient models.
- 💧 Water audits** for non-residential customers in partnership with the Monterey Peninsula Water Management District.

<sup>1</sup> Based on pending 2017 step increases with the CPUC. Includes other taxes and surcharges.

<sup>2</sup> Based on pending 2017 step filing with the CPUC. Includes rate design changes approved in D16-12-003.
