B. Bill for Service (continued)

(L,N)

To avoid having service turned off while you wait for the outcome of a complaint to the CPUC specifically regarding the accuracy of your bill, please contact CAB for assistance. If your case meets the eligibility criteria, CAB will provide you with instructions on how to mail a check or money order to be impounded pending resolution of your case. You must continue to pay your current charges while your complaint is under review to keep your service turned on. If bill becomes past due and nonpayment results with respect to this dispute, the rules for discontinuance of service due to nonpayment must be followed as set forth in Tariff Rule No. 11.B.1.

The Commission will not, however, accept deposits when the dispute appears to be over matters that do not directly relate to the accuracy of the bill. Such matters include the quality of a Utility's service, general level of rates, pending rate applications and sources of fuel or power.
