SPECIAL CONDITIONS

General Items

1. Qualifying low-income customers can receive a discount on their bill. Customers must apply with the Company for acceptance into the low-income program. For additional details, please see Tariff Schedule CA-LIRA.
2. Any customer paying for service at a premise where a Residential Fire Sprinkler System (R.F.P.S.) is required/requested to be installed by local fire and building codes shall be allowed to have their monthly service charge modified in accordance with the monthly costs for R.F.P.S. service charges. Provided, however, that the R.F.P.S. rate has been requested by the customer and verified by the Company that the smaller size of meter would be large enough to provide adequate service for the property in absence of the additional demand necessary to supply water to the sprinkler system. The R.F.P.S. will not be considered a fire service by the Company, but as an oversized general metered service. As such the rules and conditions of service for general metered service shall apply.
