

Legal Notice

To all customers of Indiana American Water Company: Please take note that pursuant to the Commission's Order dated February 16, 2018 in Cause No. 45032, Indiana American Water Company, Inc. ("Indiana American") was ordered to submit a tariff pursuant to the Commission's 30-day filing procedure set forth in 170 IAC 1-6 that would reflect the effects of the reduction in the federal income tax rate implemented by the Tax Cuts and Jobs Act, had the reduced rate been reflected in Indiana American's last general rate case. The submission will be filed on March 26, 2018. The Order does not constitute a general rate case review and confirms that the submission may be withdrawn pursuant to 170 IAC 1-6-8 at any time before it has been approved. Indiana American's right to withdraw this tariff is further confirmed by the Docket Entry issued in Cause No. 45032 on March 7, 2018.

Since this Commission is, by rule, prohibited from taking action on this submission for at least thirty (30) days, Indiana American has at least that long to exercise its rights to withdraw. If the submission is not withdrawn and if it is approved, the impact on your bill will vary based on the amount of usage, but the Company believes this change may reduce your current bill and/or impact of any future required increase to cover costs. If the submission is not withdrawn, the Commission cannot approve it sooner than April 25, 2018.
